**Summary:** Pleasant Valley Ranger District fire specialists are managing the lightning-caused Tanner wildfire, about 19 miles south of Young, Ariz., which began on August 20 near the peak of Armer Mountain in the Sierra Anchas. The size of the fire is about 6,000 acres, and is now 65 percent contained.

Most burn-out operations concluded today. Mop-up operations continue. Logging and chipping activity was in full force along the closed portion of Hwy 288. Demobilization of resources will begin tomorrow.

“We have had tremendous local support. The Gila County Roads Department and Sheriff’s Office, as well the community of Young, have been invaluable partners,” said Johnny Whatley, incident commander. “Because of their support, the firefighters have really been able to focus on their primary responsibilities.”

Hwy. 288 continues to be temporarily closed from McFadden (milepost 290) south to the A-Cross Road (milepost 270) and will remain closed at least through the weekend.

Arizona Game and Fish officials say about 550 tags were issued for the General Season Turkey Hunt which kicked off Friday. The Hwy. 288 temporary closure will affect access to the southern part of Game Management Unit 23. Those who use this road to travel to the Mogollon Rim are advised to prepare alternate travel plans during the road closure. Access to the northern part of Unit 23 is still open on Hwy. 288 south from Highway 260 to McFadden. For questions or information about hunts in this area, contact the Arizona Game and Fish Department's Mesa regional office at (480) 981-9400.

For more information about the road closure, visit the Arizona Department of Transportation's travel information site at [www.az511.gov](http://www.az511.gov) or call 5-1-1 from within Arizona, or contact the Gila County Sheriff's Office at (928) 474-2208 and press 3.
